MATRIX

Lifestyle ClimbMill
LED CONSOLE
CM-LS-F

Created for low-volume facilities, our Lifestyle ClimbMill features a compact design that makes it possible to bring climbing workouts to facilities with lower ceilings. Smart features make workouts comfortable and secure, and our durable components will keep your people climbing for years. It's even as easy to service as it is to use, so it will always be ready.

Virtually anyone can step up to our LED Console and enjoy the easy navigation of the interface. Complete, easy-to-read workout feedback helps members gauge performance at a glance.
